the bar™ by pavay

We invite you to go back to the bar with our new all natural organic facial cleansing bars. Our healing clay formula is derived from our skin-nurturing ionite™ clay, harvested from the desert caverns of Arizona; this extraordinary find boasts the highest level of zinc, trace minerals and moisture content ever found in a base clay, ideal for all skin types and both sexes. Long known as a natural remedy for dry skin, acne, dermatitis, and eczema, and proven to prevent and treat a variety of other skin conditions, zinc is a vital element for any natural skin care regimen. Our nutrient rich clay carries a high negative charge that removes toxins and impurities from your skin. Combined with the skin regenerating, restorative and anti-aging properties of pomegranate, geranium and sea buckthorn berry organic essential oils. Nature and science deliver these extraordinary bars to deeply cleanse pores and give you a refreshed, radiant and toned appearance without drying.

The bar™ by pavay is available for normal to dry, sensitive rosacea and problematic oily skin types. 4 oz healing clay facial bar \$32.00
